Artem, male, 32, employed, Bishkek	DONE	DONE	DONE But took a long time to accomplish the task due to: was confused about the difference between Goal Accounts and Goal categories (pie chart). For him they meant the same things. Suggested that Goal accounts should be within GOALs to avoid confusion. Wanted to find DELETE option by swiping. Wondered how/where to find deleted and archived list of goals.	COULD NOT COMPLETE Played with the Goal Categoies section, but did not notice that the list of goals underneath were changing with the GOAL CATEGORIES. Suggested to have one budget and distribute the cateogies (savings, loans, investments and spending) within the same budget.
